Special Instructions					
The Shipper certifies that the shipment does not contain dangerous goods as defined in the International Air Transport Association Dangerous Goods Regulations. If any part of the shipment contains dangerous goods, such is to be properly described by name and in proper condition for carriage by air in accordance with the International Air Transport Association Dangerous Goods Regulation. Goods having explosive, corrosive, flammable, poisonous or other hazardous characteristics must be accompanied by a Shippers Dangerous Goods Declaration and any other relevant documentation. It is illegal to consign as cargo an unauthorised explosive device. All business is subject to the standard trading terms and conditions of FREIGHTPOWER Pty Ltd which can be viewed at www.freightpower.com.au or available on request.
